For sale is a company that is able to react very flexibly to customer-specific tasks with its core competence. This company offers the entire process chain through joint planning, decision-making process and actual transport implementation. The forwarding company has been on the market for years and, with its motivated and experienced employees and the service tailored to the individual customer, can constantly attract new customers and continuously expand the share of regular customers. There are plenty of parking and parking spaces for customer vehicles and operating personnel on the premises directly on the site. The fleet is constantly kept up to date with the latest technology and regularly maintained. All vehicles have the E5 standard as well as EEV. The potential successor can start in the form of a takeover with the existing customer base and the good reputation that the company enjoys.
