## Offer Corporate sales, firm sales, sales **Sattlerei/upholstery**

The company is available for sale and is an established company in the area of car interiors, saddlery and upholstery. The company is a convertible blanket specialist; Both in the field of care and repair as well as in the new production for well-known companies. In addition, the repair of sunroof roofs and the subsequent installation of glass roofs and seat heaters are among the services. With great craftsmanship, the experienced professionals beautify and repair interiors and ceilings according to customer requirements: Whether interior panels for doors, seats and the sky, laying a new carpet or leather work, all services are made up One hand. It is precisely through high-quality upholstery processing that the company has established itself in the renovation of classic cars. Overall, the company continues to record increasing sales figures.
