Offer Corporate follow-up, firm follow-up, follow-up **Foil printing, advertising technology and textile finishing**

Well introduced Advertising Company with good location in the area Rosenheim / Bad Aibling for family reasons for sale.

With the existing operating equipment, digital printing can cover the entire field of creating printed advertising foils and lettering for motor vehicles, shop windows, signs and banners, as well as in textile finishing for company and team clothing.

The fully equipped and expandable business with its own web appearance, is ideal for advertising technicians or career changers who are well experienced in graphic design and want to make the step into a selfemployed career with a relatively low investment.

At the beginning, the business could possibly also be operated part-time, with opening hours e.g. only in the afternoon or etc.

The selling price of € 19,000 includes all printing and cutting machines and so forth, as well as the entire shop furnishings and existing materials.

If desired, support for induction could be given.

Meaningful requests will be answered as soon as possible.
