## **Electrical installation, electrical installer**

For a strategic buyer, we are looking for a company in the field of electrical installation (planning and execution) with the following criteria:

- At least 20 employees or € 3 million in sales (cap: 100 MA/€ 12.5 million in sales)
- Southern Germany region
- Customers: Industry and trade, not exclusively private clients or housing developers
- Restructurings conceivable, no hard remediation/insolvencies

Important: A separate planning department (no external planning offices.) as well as an independent project or construction site manager. The company has to cover planning and execution in-house.

Our client is a solvent German construction service provider and the goal of the acquisition is to expand the range of services (in particular. Planning expertise) in the field of electrical installation, which has so far been covered by subcontractors.

We would be happy to send you a declaration of confidentiality beforehand.
