Offer Corporate follow-up, firm follow-up, follow-up

## Language school for kids

I'm selling my language school for kids due to some health problems.

We are an independent school and no franchise business.

The school is a well established business with lots of clients and we have been on the market for more than 20 years.

In addition to the client base and the concept you can take over the material, the furniture, the rooms and the teachers if required.

### Succession
