Offer Corporate follow-up, firm follow-up, follow-up **Sun studio and wellness lounge**

You have a great opportunity here to take on a very family-run and established sun studio. The studio has a very good reputation and is the only one in town (about 25,000 inhabitants + about 25,000 inhabitants).

The studio has 7 cabins, for 3 devices (Ergoline) there is still a very manageable residual lease. The studio is on the fly and generates good sales, a good and loyal customer base is available and a club system ensures stable sales.

I have run the studio with a lot of commitment and attention to detail and am looking for a successor to whom customer service and kindness are not foreign words.

A newly furnished wellness studio, which is accessed via the sun study entrance, complements the offer excellently. There are 2 fully furnished cabins and a spacious waiting area in this separate room.

This studio is ideal for a couple of entrepreneurs who aspire to an existence in the spa.
