Offer Corporate follow-up, firm follow-up, follow-up **Transport Company**

Owner-managed transport company in Rhineland-Palatinate is for sale. It is an established transport company with 20 employees, a long-standing customer base and continuous expansion through new customer acquisition. The company has a brand new vehicle fleet, all vehicles have the E5 standard and EEV / Euro 6.

The potential successor has the opportunity to take over the operative business as well as the existing customer base and profits from the excellent reputation of the company. A takeover is also favored by the operational infrastructure and proven operations.

The company is to be sold in order to secure the company succession at an early stage. To ensure a smooth succession, the current owner offers his cooperation for a limited period of time.
