ID 20615

Look for Corporate participation, firm participation

## **Education, counselling**

I am looking for participation as an investor, but also as an operating entrepreneur (assisting) for business models in the area of services.

Participation and company succession are therefore both interesting.

Focus: Services (education, counselling, support)

Stage: Business model has entered the market and is working on the market

### [Participation](#)

Region 10, Germany

Entry in own name
