Offer Corporate co-operation, firm cooperation

Fine stocking goods

We are looking for cooperation partners who are interested in expanding their product pallets small but finely.

What we are looking for were boutiques, beauty and nail salons, hairdressers, gift shops, mini-markets, etc., where a high female customer density is available.

They are pretty fine stocking products for the woman (and man:-)), which is limited to a small assortment or a larger, individual tailored assortment. A Commission sale or direct purchase may be required. The range can be adapted to the time of the year. A minimum margin of 30% (depending on the product) is achieved.

If you are interested, please contact us without obligation.
