

The big business marketplace

Business for sale more than 15 years

ID 20624

Offer Franchise, license **Consulting**

We are an official partner of an international IT company. Our product is an innovative customer loyalty system. The product has only been on the market for 3 years and has been present in more than 40 countries worldwide. More than 30,000 companies and more than 2.000.000 customers use the system. We are in the process of establishing ourselves on the German market. We are looking for success-oriented partners who want to support our team.

- * Very good earning opportunities
- * Very large market potential
- * Future-oriented product
- * Finished franchise system
- * Low investment If you're a fighter and a winner, that's just right for you. Build your own business in a strong team.
