Wanted: Purchase of a Plastic Injection Molder

We are looking for a strategic buyer to find a German acquisition target in plastic injection molding . Our search profile is as follows:

- Plastic injection molding
- Automotive/Industrial customers
- Turnover EUR 2 - 50 million
- All business situations including turnaround

Our buyer also has the option to move production orders from abroad to Germany - depending on the situation of the company to be acquired. In addition, there is the opportunity to become part of a reputable plastics manufacturer and to build up the business in Germany.

We are not a seller we are a buyer
