

The big business marketplace

Business for sale more than 15 years

ID 20671

Offer Liquidation, Operating dissolution

Online retail

Sale of a fully established & functioning e-commerce company.

-Sales and production of colored shelves/spray walls, glass furniture in the kitchen and bathroom segment.

-Individual goods without identical competing products due to own production

A section of our range can be found under the pictures.

-Real and traceable sales figures with a return on net income ~ €2000-3000 per month, expandable

Unlike other sales offerings, this was, and still is, a real existing and profitable company.

-No artificial "sales" in the millions as with other listings.

The package includes the complete concept of the company, including its product range, source of suppliers, Lizens for the use of the images and company label, domain, goods worth €4,000, incorporated logistics and partners, shipping process, summarized the complete Business process.

Liquidation

Region 20, Germany

Entry in own name
