Offer Corporate sales, firm sales, sales

Container service, waste sorting plant, paper marketing

As an owner-managed and certified waste management company, we are looking for a suitable successor. The company owns a sorting plant for commercial waste and recyclables as well as a stationary paper press. The latter has an occupancy rate of almost 100%.

Furthermore, waste from private or commercial origin is accepted and building materials and bulk materials are distributed via the recyclable material yard.

BimschG approvals and a broad customer base.
