Learning German in Germany is undeniably a growth et.

We have a location in Berlin and that are to be further expanded-and expanded.

The teaching is characterized by our award-winning learning method, with which a person-even if he had no knowledge before-can communicate after 6 days in the German colloquial language.

Numerous celebrities are already among our customers.

There is a proven sales concept that is to be further expanded with fresh capital.

Investment deposits are available from €5,000. Please do not send us messages such as "have interest," etc., but a short text with your description and your motives for involvement.
