Offer Corporate sales, firm sales, sales **Exclusive Cosmetics Studio**

The cosmetics studio sets itself away from the traditional market attendants in most areas and has developed many unique selling points. The studio is known about the regional boundaries for its excellent offers and services. The service portfolio begins to colour in the basic area with eyelashes and extends to exclusive treatments in the care area. In the shop, the offer also ranges from basic products to luxury care series. The exclusive offer includes relaxation rituals, special masks, pampering massages such as head, neck, décolleté and neck up to hand and foot, aroma rooms, cell improvements and cell tightening, micropeeling and much more.
