## Art gallery

There are 60,000 art objects> In 30 years, with love and the collection of quality and value collected art collection,

Art collection consists of the different techniques like:

Original Oil Painting Acrylic Painting - Mixed Techniques and Watercolors.

As well as original ink-charcoal-red chalk drawings

and different printing techniques as well

BRONZE wood and stone sculptor works and much more.

Includes time epochs from 16th to 21st century.

I act as the sole owner of the art collection

and the art collection is free of charge from third parties and is not loaned.

It includes well-known international artists from all over the world.

Each art object is unique!

such as:

Christian Rohlf> Original watercolor around 1921

Shown in the Zezschwitz Art & Design Auction No.68

such as Carl Spitzweg> Original Oil Painting> The Angler

But also about 30-40 complete and partial artist Nachlässe are in the gigantic art collection with which one can equip a museum or artist exhibitions.

Like the artist's estate with image rights (approx. 1,600 objects)

by the important Dresden painter Hans Rudolph in the 90th years Dresdner Museum offered a double-digit million euro amount

or the partial artist's estate of Hans Peter Agner with about 400 art objects

as well as the artist's estate of the Hungarian abstract painter Miklós Németh with more than 700 oil paintings and much more.

With good single object sales I estimate to erzielen to 70-90 million euro.

The art collection will be offered with 18 million euros negotiating basis. 18000000. :

60,000 = only 300 euros per object negotiation basis

9 online art sales sites with 3 innovative sales proposals and domain names are protected and can be viewed on the net.

The 9 online art sites are only about 1.65% of the total art collection !!!!

Another 49 482 works are digitally secured on a USB memory stick (photos / description)> Will be sent in case of more interest.

The entire 60,000 art collection is divided into 2 art warehouses (Germany / Austria) on approx. 250 m<sup>2</sup> and is still maintained and researched by a collection curator.

If interested, I am happy to answer any questions.
