Offer Corporate sales, firm sales, sales **Exclusive Sales Motorsport**

For reasons of age, we are looking for a company succession and want to trigger and sell the "fillet piece" of our company, which sells racing sports parts for Audi and SEAT throughout Europe and exclusively.

This part of our company is highly profitable and has had huge growth in sales and earnings in recent years.

This part of the company can be accomplished with some storage space and an employee for shipping and sales.
