Offer Corporate participation, firm participation

Burnout Centre

Burnout is a big issue of our time and a limitless growth market.

In collaboration with scientists, we have developed our own method for intensive therapy of burnout without chemistry. Successes or first-class references are already in place. The Centre in the Gutshof atmosphere is exclusively equipped and uses state-of-the-art technology for treatment.

Participation (silent or active) is to be awarded, with the preferential financing measures.

Yield mechanics can be guaranteed.

Please request requests with your telephone number.
