Business for sale more than 15 years

ID 20853

Offer Corporate sales, firm sales, sales **Fashion**

Description

For sale is a company founded in August that sells women's evening fashion and accessories online. Since , the sale has also taken place via the warehouse with an attached sales room.

As sales in the online sector are currently implantier: Amazon with premium shipping, Prime by seller and FBA permission eBay with eBay-Plus eligibility Real and Rakuten Shops, as well as an ePages online shop Significant growth increases in the marketplace area In the marketplaces Amazon, Rakuten, Real and eBay, further European marketplaces are possible due to the switching up.

Thanks to strategic optimization work on the ePages shop system with appropriate SEO optimization, the free-to-design online shop can be brought into the growth zone in the best possible way.

For the online sector, in addition to all image and text rights, the registered brand, which at the same time represents the company name, is also transferred.
