Offer Corporate sales, firm sales, sales **Ice Cream Rolls**

Due to my curricula at KIT, which will take me abroad for a year at the beginning of , I will not be able to continue to run the company.

That's why I'm currently putting the ice cream café I founded in up for sale.

For the sale of Ice Cream Rolls on site as well as mobile, all equipment is available and included in the sale.

In addition, the buyer gets access to all IT systems that have been implemented by me as part of my business activities since my inception (for example, weather-based sales forecast for personnel and sales planning).

I would be happy to provide more detailed information after contacting us.
