Offer Corporate follow-up, firm follow-up, follow-up

## **Water damage remediation, construction drying**

For reasons of age, I am looking for a successor to my business, which has been active in the water damage refurbishment sector for more than 30 years. We are based in South Baden and specialise in technical dehydrations, leak positions, mold treatments and new-build drying and have a long-standing, loyal customer base. The company (GmbH) can be taken over with technical equipment on 1 January .

### Succession

Region 79, Germany

Entry in own name
