Offer Corporate sales, firm sales, sales **Bike & Vespa Rental**

If you have a passion for bicycles, love being in contact with people and have always dreamed of working where others go on holiday, then this is the right offer for you. The offer is to buy a profitable Bike & Vespa rental, located directly in one of the main towns on Lake Garda.

The workshop offers repairs in a fully equipped workshop as well as the sale of bicycles. The main income of the shop is the rental of bicycles and scooters.

At the moment there are about 90 rental objects (scooters & bicycles).

The rental equipment consists of City Bikes/Racebikes/Mountain Bikes/E-City-Bikes/E-Mountain-Bikes and Scooters.

Everything of the highest quality thanks to the cooperation with renowned brands.

Guided bike tours will be offered from next year (2The shop runs daily from April to October and is temporarily closed in winter, leaving 4-5 months free time or time for a side project.

The biggest strength of the shop are the very high ratings on Google Maps (4.9), Trip Advisor (5) and Facebook (5) from a total of around 150 ratings, which gives the shop the #1 position on Google Maps for most keywords.

Some customers come back every year, others even twice a year.

The shop has a highly professional website, which has thousands of visitors per month in the high season and makes it easy to book online. Around 60% of the traffic comes from Germany.

Recommended language skills: German, English, Italian

The shop is relatively new () and has seen a steady increase in turnover of at least 50% per year over the last 3 years.

Further growth is very likely as a large community project is planned to increase cycling tourism here in the region.

We are unable to meet many customer requests as the best bikes and/or vespas are often fully booked in high season.
