Logistics

The company provides transport and logistics services for its customers as well as consulting services in logistics.

The company was founded in June and has an extremely good order and earnings situation. Furthermore, there is an innovative further development concept, which is not yet 100% implemented due to the strong growth.

Sales June-December EUR 60 Tsd, Loss EUR-1 Tsd Sales January-October EUR 480Tsd, Profit EUR 68 Tsd Plan
Sales €1.5 million

(Entrepreneur salaries already included)

Due to the strong growth and the already commitment of a large new customer (approx. EUR 500 thousand) for the year , we need the appropriate capital as quickly as possible in order to be able to make the increased pre-financing, necessary investments and the Continue to roll out and develop the business model.

For this reason, we are looking for or would like to look for appropriate venture capital.
