Car glass operation with car treatment and workshop

We have been operating for more than 20 years as a free car repair shop as well as a specialist in car glass and high-quality vehicle paint preservation and vehicle preparations. In addition, we offer many other services related to the car, such as stone clay repair, climate and toning films, vehicle foolings, window foils, car processing for cars, trucks, construction and land rails as well as motorhomes and a tyre and Parts trading. The company has gained a high profile and importance in the region in terms of car glass and vehicle hack preservation. With professional competence and customer-oriented action, a solid and very large customer base can be used today. Through regular training and further training measures, management and employees are always up-to-date with the latest vehicle glazing and vehicle paint preservation.
