## Offer Corporate sales, firm sales, sales **Nursing home**

Old people's and nursing home on the fly

With 26 nursing places, expandable

The offered old and nursing home, consists of two parts of the building. On the one hand, from a villa that is predominantly used privately and two additions, which are continuously extended, renovated and maintained by the owners. A fundamental refurbishment took place in 1995. The property is located on a large property in a hillside location, central to the centre of the village.

The object splits as follows: Ground floor:

7 residents ' rooms, including 1 single room with washing facilities and 6 double rooms with wet cells. Stage bath with a cheek or shower.

Common areas: Living and lounging areas, office home management, spacious hallway, entrance area, service room, large terrace areas and the stairwell. A passenger's chair is available.

Floor:

9 residents ' rooms, of which 2 single rooms with washing facilities, 7 double rooms with wet room.
