Look for Corporate financing, investor **Electromobility**

We are looking for a partner partner investor for our GmbH, which was founded in 08/17. We are active in the Field of Electric Mobility, Senior Mobile and Electric Scooters. In the new Federal States, we are currently the only Retailer in this Area. There is no other Retailer offering Comparison models.

We have already been able to attract Dealers who offer our Models for Sale and in the Year 19 we will be listed in a Franchise company. In other Words, all Franchisees must obtain the Senior Mobile Through us.

We are looking for a Partner/Investor who can provide â‚¬150,000. The aim is to expand the Model range in order to be able to meet Customer Inquiries.
