Cafe/Restaurant

We are looking for someone who is interested in getting involved in a modern restaurant concept. The restaurant with full kitchen and about 50 seats and 20 outdoor seats already exists and waits for someone who wants to get involved with his manpower, his ideas and his cooking and kitchen experience. The performance is the opening of a café-restaurant with a food offer that is healthy, also vegetarian vegan, and where neighborhood and quartergeneral residents come during the day or in the evening to feel comfortable, entertained, to eat, to drink coffee. Ideally from the food offer towards French bistro, boulangerie. All this in a casual atmosphere where everyone feels comfortable.
