Offer Franchise, license **Lifestyle Brand**

We offer you the unique opportunity to acquire a Germany license for an established lifestyle brand in Europe.

The products include products designed by physicians such as a healthy power drink, a fitness powder or a pre-power booster.

In addition, there is a sports collection.

Many contacts are established in the sports industry that can be taken over.

They get into an ongoing business.

The license takeover for the whole of Germany is 500,000 euros.
