Business for sale more than 15 years

ID 21121

Offer Corporate sales, firm sales, sales **Printing shop (digital printing)/advertising technology/copyshop**

Restricted printing company/copyshop with various unique selling points, which has been established for 9 years, is available for sale.

An extensive and loyal customer base (mainly business and numerous private customers), as well as an excellently qualified and well-rehearsed team of employees are available.

The premises offer a lot of potential for expanding the operation (a large room extra and basement). The range of products is widely diversified and covers all printing services (some also through lucrative collaborations), design, gift items (many of which are exclusive), printer filling station, etc. The location is optimal and the company enjoys a certain unique position in the area. The company has excellent reputation (even nationally), very good customer reviews and best placement with search engines.

The reason for the sale is the state of health of the senior owner.

Of course, it is possible to familiarize itself with the system.
