Offer Corporate participation, firm participation **Developers**

We are looking for our developer company, which is currently working on the refurbishment of a listed railway station with the aim of creating an apartment building with 35 units and a new construction of a 140-seat senior nursing home, someone who wants to participate. We would sell 30% of the shares for £250,000. The company also needs a loan of €2 million as equity.
