Offer Commercial rental and leasing **Elderly**

Are you planning to become self-employed in care for the elderly and care?

They want to make a change, have a recognised education/qualification for it.

You have ideas, but do you lack spatial possibilities to achieve your goal?

Maybe we have the solution for you.

As part of such a business idea, we offer a larger property in the rural area with a lot of green around it against participation.

We want to see details of a cooperation in the form of a win/win situation.

We don't have a business plan, but the spatial possibility.

Sign up, the first step is usually the hardest thing.
