Look for Corporate financing, investor

Trade in art prints

We are looking for one or more retail investors who want to invest a total of €150,000.0000. The investment goes into a collection of 900,000 art prints from a renowned art printing house.

The stock has a product value of 20.000.000,00€, is to be increased by finishing, framing, etc. The item is already in our possession, marketing may begin shortly. Smallest investment size €10,000,000000, up to a maximum of €150,000.

The duration is scheduled for 24-36 months, depending on the term and investment size, the return varies.
