## **Street food, food trucks, event catering, mobile catering**

For reasons of age, we have to give up our very well-running mobile catering business. For 30 years, we have been travelling with our sales vehicles nationwide and throughout Europe, mainly in North Rhine-Westphalia.

The business model is not locationbound. At artisan markets, city and shooter festivals, Christmas parties, company parties, anniversaries, fairs and private events, we prepare all the food in front of the guests fresh on site. Specializing, we specialize in the most popular dishes from Italian cuisine.
