## **Advertising space marketing, service provider platform, Internetp**

Advertising space marketing system with unique selling point, own and foreign sales system, advertisements, service provider platform with associated internet portal and various direct regional service offerings nationwide. Includes collaborations with interested regional third-party providers. Franchise or licenceable.

Proven revenue potential of 1.5 milliond/year, current turnover per employee 216,000/year  
The capital requirement is approximately â,-50,000000 and is to be financed by venture capital through an active shareholder/investor.

The portal has been in existence for 5 years and has a correspondingly high revenue potential in the medium and long term.

I myself have extensive knowledge in the production of online and offline media, as well as media planning and many years of experience in trading marketing.
