## **Plumbing, heating, flashing and solar technology**

The company, based in Baden-Württemberg, is successfully active in heating, plumbing, solar and bottle technology.

In addition to day-to-day work, the company is increasingly focusing on orders in the direction of heating and bathroom conversions.

The existing customer base is spread over the private, commercial and public sectors. In particular, due to the level of awareness in the region, the company can do without advertising and benefit from the recommendation business.
