ID 21235

## Offer Corporate sales, firm sales, sales **Online retail wellness**

For sale is a complete online shop in the areas of wellness, health and spirituality.

This shop is recommended for people who are interested in energy work, are interested in spirituality or who simply feel approached by our diverse product range.

Also suitable as an online supplement for an existing trade such as naturopaths, masseurs and therapists.

Wellness, health and spirituality are among the most sought-after and growing industries on the internet.

This shop is equipped with everything customers expect from a modern online shop: Various payment options, an appealing design, clear navigation as well as a possible connection to Ebay, Amazon and price comparison portals.

There are about 1,300 item data in the shop with texts and product photos.  
The product range can be expanded at will.
