Repair/service/consumables

For the sake of old age, I am looking for a successor to an ongoing service shaft. Repairs, spare parts sales and consumables. Long-standing, stable clientele 80% in German Switzerland. Extendable, also abroad. Products received, not representations. Mechanical skills are needed. The sale price can be made with a 50% deposit and a 50% deposit. Suitable for a mechanic with a saleable flair.
