Accounting Office-Wage and Payreer Office

I am Looking for an Accounting Office to Buy or Take over the client'S base (of course, against Payment of the Desired or agreed Discount sum). Alternatively, I would also offer to pay On an ongoing basis salary to the surrender (Fixed in contract, Notarically, so that the Collateral for the surrender is given).

I Am also very interested in Collaborations with Tax Advisors. I myself have been An Accountant for 17 Years and have been self-employed (part-time) for a number of years.

Would I be very happy about Offers or Contacts.
