Project financing

If you want to finance your project, then you have come to the right place. We offer financing through banks, family office and individual investors through our decades of growing network.

We can finance you:

1. Company purchase/acquisition
2. Commercial property purchase (land, tenements, construction projects, holiday resorts, hotels, halls)
- 3rd start up, franchise, new business ideas

Preparations are:

- relevant documents
- 5% equity
- short business plan/project description
- Volume 1-25 million

The applicant's creditworthiness is not in the foreground, but the project.

The funding commitment can happen within 48 hours if all the documents are in place. If you meet the above points, please contact us.
