Harley-Davidson Service Garage with online shop

One of the largest online shops for accessories and spare parts of the brands Harley-Davidson, Indian and Victory is for sale with a very well-equipped and very well frequented motorcycle workshop (free Harley-Davidson workshop) with the takeover of ongoing operations.

Our company, which has existed on the market for over 20 years, has been a long-standing, constant in the American motorcycle segment in Europe and beyond and can point to very healthy growth and good returns.

We have been running the workshop at the current location for over 12 years and the company has existed successfully for 20 years.

The interior fittings on 2 levels for a total of 255m² including heating system (Buderus), gas, water and electrical installation, operating equipment and the customer base must be purchased, the building must be rented.

The workshop is fully equipped, with 3 fully electric lifting platforms, column drilling machines, lathe as well as special tools and diagnostic tools for the maintenance and repair of Harley-Davidson motorcycles.

Accessories, clothing and accessories as well as various stock items are included in the purchase.

The repertoire can of course be expanded to other motorcycle brands, which would be very desirable here in the region.

The excellent location is between Ulm and Aalen, directly at the motorway exit.

The building includes:

Rental hall (floor area 156m² / with interior fittings on 2 levels, a total of 255m²)

2 large shop windows, 10 parking spaces, entrance to the town in a prime location.

Ground floor: showroom over both levels in height (65m²)

Workshop completely furnished (80m²)

2 toilets (each 2m²)

Parcel / storage room (4.5m²)

Upper floor: gallery / lounge accessible via stairs from the showroom (23m²)

Office with skylight (16.5m²)

Warehouse (63.5m²)

At the location: (V) DSL / fiber optic 100MBit / s and LTE up to 100MBit / s

Rent is 852 euros for the hall, 45 euros for 9 parking spaces plus additional costs (currently 76 euros) and VAT.

Online shop:

One of the largest and most famous online shops in Europe with accessories and spare parts for Harley-Davidson, Indian and Victory motorcycles. Can also be extended to other brands and manufacturers.

The online shop has been well positioned on Google, Google Shopping etc. for many years and contains 22 top-level domains

and also has a checkout module and a backend for order and order processing for shop and workshop orders as well as warehouse management.

The associated Facebook page can also be adopted.

Technology such as network, PC's, printer, TV, etc. are state-of-the-art.

Of course, we will be available for the handover and the training of new employees for an agreed time.
