## **Re-aid school, language school**

Substate school for students of all school types and school levels from 3rd grade to high school in individual lessons or in groups of two, especially in German, mathematics, English, French, Spanish. Support by specialist students with an honorary contract.

Long-established and well-known school in for 20 years.

Many well-off parents in and in the surrounding area, very good infrastructure and S-Bahn or bus connections.

In addition, a language school for professionals and aupairs is integrated, in the mornings and evenings in small groups and singles. Focus: German lessons. A lot of requests on website, as many international companies in the area.

I now run the school successfully in my 10th year and bought it from my predecessor in . The reason for the sale is my early retirement.
