Academy-Training-Training-Institute

Academy

Participation in Akademie. Training activities for corporations (voice, voice, language, presentation) as well as rhetoric, presentation and coaching measures and conflict management events are carried out. Well-known corporations are cared for. Courses all over Dautschland. Also carrying measures for boards and chief executives. Companies, public authorities, banks, insurance companies. There are about 10 freelance academic staff in the coaching pool, which are involved in a problem-oriented and goal-oriented way. Comper profit 60 to 70%.

Also qualifying action as a "voice and communication coach," especially interesting for trainers, seminar leaders, human resources managers, psychologists, educators, etc.

Billing of the measures usually via daily rates and implementation as in-house events. Open events planned and possible throughout Germany.
