Organic restaurant

The project aims to take over an existing restaurant and reopen with a new organic concept in the summer of .

The restaurant has up to 250 seats including an outdoor terrace.

At the core of this restaurant is, on the one hand, the outstanding location in a park area (500-1000 visitor day), which is immediately followed by a large playground and, on the other hand, a modern architecture that meets the old building and gives guests a breathtaking view. Game opened from new and old architectural elements. It should also be noted that the restaurant is leased in a high-quality, fully furnished condition.

In addition, reliable sales are generated through cooperation and framework contracts.
