Offer Corporate participation, firm participation

Biogas plant

Investor wanted to build biogas plants in northern Italy.

We also project biogas plants in northern Italy and are looking for companies or investors who want to participate in the construction or financing.

The projects are all designed for crop and manure and already have the appropriate supply contracts with the surrounding farmers.

The plants are all designed for 300 KW and will be reimbursed for 20 years at 23.6 cents per kWh.
