Offer Corporate sales, firm sales, sales

Children's clothing

We offer a well-known brand company for a customer for sale. The production is handmade. Sales are available through retailers and online retailers.

Ideal investment: There is great potential, as there has been no marketing in recent years, but sales have remained stable. The brand is well known and stands for quality.

We ran an advertising campaign for the test: With great success.

The company is independent of the location.
