## Offer Corporate follow-up, firm follow-up, follow-up **Restaurant-Pizzeria**

For start-ups and emigrants to Spain, I offer a well-established pizzeria restaurant that has been run since . The restaurant, with about 140 sqm of interior space and 100 meters of terrace, can accommodate 150 guests and is located in a shopping mall near Alicante in a tourist zone.

The shopping centre is just 10 minutes from Alicante International Airport and 10 minutes from the beach.

The restaurant is very lavishly equipped and at an immediate start there is nothing missing. All objects, machines, installations, built, that is, the walls, ceilings, floor, windows, doors and everything up to the last screw are owners of the tenants, as the local in raw condition, rented and everything was built on own costs and therefore also the walls, ceilings, floor, windows, doors and everything up to the last screw are owners of the tenants. Rent for the local and route cheaply and includes VAT is 1,600 euros per month. Otherwise, a levy on waste and wastewater will be paid to the municipality once a year.
