Café

For our café in the city centre of we are looking for a motivated buyer's partner – like to have baking and confectionery experience.

The shop has 110 sqm, is equipped to a high quality and has its own bakery with all the necessary machines. Our loyal customer base includes private individuals and companies.

In addition to the café business, other business areas such as closed companies, evening events and courses have also established themselves. It also allows you to develop the unique concept into a franchise model.

The handover can take place in a timely manner. The lease can be taken over by the buyer unchanged.
