## Food

We are looking for a partner to start a business.

This is the production and distribution of a new food product in the area of fast food/menus-like finished product. The product can be produced and distributed in at least 3 varieties. The markets are food retailers and petrol stations. Therefore, the product has a great market potential.

The concept is designed to be ready for the market, and a suitable production hall is already available as a rental property. An investment of €300,000 is still needed for the market launch.

The project can also be financed by public funding. We are looking for a partner who can show €50,000 of equity. In return, we offer a one-third stake in the company.

If you are interested, we are happy to provide further information and detailed information.
