## Offer Corporate follow-up, firm follow-up, follow-up **Engineering office for ground investigations**

I am looking for a successor for the Nossen location of my company, which currently generates a total annual turnover of 1.3 million euros. The main focus of the activity is the preparation of building reports for home building in the area of Central and Eastern Saxony as well as Brandenburg and Berlin. It is intended to split the existing company and move its headquarters to East Thuringia, with the Nossen site expected to be in sales of around 600,000 euros and 6-7 employees.

The successor should have relevant experience as a geologist or geotechnician.

Entrepreneurial thinking, experience in management and full commitment to the interests of customers are prerequisites. The further availability of the existing know-how is assured.
