

The big business marketplace

Business for sale more than 15 years

ID 21453

Look for Corporate financing, investor

Sports consulting, sports and project management

We are working on building a sports network (on- and offline) in the emerging emerging country of India with extreme growth potential.

We offer a maximum of 10 sports-enthusiastic investors the opportunity to participate in the further expansion of a chain of football and sports academies with a professional football club in India through a silent participation in a German limited company.

Capital

Region 26, Germany
